

## **AMERICAN LE MANS SERIES: THE 12 HOURS OF SEBRING LIVE ON MOTORS TV**

The **American Le Mans** Series starts its season with the world's most famous endurance race outside the Le Mans 24 Hours: **the 12 Hours of Sebring**. **Once again this year, endurance racing fans can follow all the action on the 'High Speed Television' channel thanks to 13 hours of non-stop live coverage!**

The 2010 edition of the race again features **Peugeot** and, for the first time since the creation of the event in 1952, a French marque is the favourite for victory, holding everything in its favour to add its name to the prestigious list of Sebring winners. **Two 908s** will take part and the team's drivers know exactly what a win in Florida can do for their careers. **Sebastien Bourdais, Nicolas Minassian, Pedro Lamy, Alexander Wurz, Marc Gené and Anthony Davidson** are the men who have a date with destiny.

Motors TV will begin its coverage 30 minutes before the start of the race, ensuring viewers miss nothing of the pre-event build-up, and will continue its coverage until the post-race podium celebrations.
