MEZZO **EXPANDS ITS PRESENCE IN TURKEY!**

THEMA is glad to start 2024 with the announcement of the launch of Mezzo TV channel on one of the biggest pay-TV operators in Turkey – Türksat Kablo TV.

In 2023 Mezzo celebrated its 25th anniversary and brought to the viewers an outstanding programming with 25 emblematic concerts.

Working hard on the programming in 2023, in 2024 Mezzo is not willing to step back and has prepared a strong line-up: after celebrating in January legendary Claudio Abbado who passed away 10 years ago, Mezzo will focus in February on one of the world's most sought after conductors, Klaus Mäkelä, who is Music Director of the Orchestre de Paris, Chief Conductor of the Oslo Philharmonic and in 2027 will take up the baton as Chief Conductor of the Royal Concertgebouw Orchestra.
